INTENTRA | APPLICATION INTAKE

Health insurance proposal

Fictional sample application. All applicant details and declarations were authored for this prototype; this is not a real identity record or clinical certificate.

Application reference	HI-SAMPLE-1001
Applicant name	Priya Mehta
Date of birth	1991-04-18
Product	Intentra Health Essential
Product code	IH-ESSENTIAL
Sum insured requested	INR 500,000
Policy period requested	12 months

Health declaration

Applicant declares no ongoing conditions, no regular medication, and no prior hospital admission. Supporting medical summary received.

Tobacco use: applicant declares no tobacco use. The employee must compare the declaration and extracted fields with this source before relying on them.

Identity and processing reference

Fictional identity reference: FICTIONAL-HI-SAMPLE-1001. Applicant name and date of birth match the proposal above. No government identity document is represented by this reference.

Sample processing authorization: this fictional packet is provided for Document AI extraction, Vertex AI structuring, and storage in the Intentra prototype.

Supporting medical information

Supporting summary supplied: no ongoing condition, medication, or prior hospital admission is declared. This statement is fictional source evidence and is not medical advice or a validated risk assessment.
